Dear Ms. Avery:

I live in Carpentersville. I'm against Centegra building a new hospital in Huntley because I don't think they provide high quality care. In a recent Blue Cross Blue Shield analysis of the quality of care provided, Centegra's two hospitals scored only 5 stars and 6 stars out of a possible 10 stars. I don't want more mediocre health care options - I want high quality health care! Advocate Good Shepherd Hospital and St. Alexius Medical Center, where many McHenry residents go for care, were two of only 4 hospitals in the state to score 9 stars.

Sincerely,
