HEALTH FACILITIES &
SERVICES REVIEW BOARD

I believe that Mercy's new hospital will provide:

- Better access to health care services
- Shorter emergency room wait times
- A more centralized location for health care in one of McHenry County's most densely populated areas
- A more diverse choice in health care providers

I kindly request that you approve the requested Certificate of Need for the Mercy Crystal Lake Hospital and Medical Center to expand the health care options available to local community members like myself. I believe the project is both necessary and in the best interest of our community.

Additional comments:

I work at Mercy Harvard Hospital and
even though this is a small hospital I enjoy
the company of my fellow partners. An
expansion of Mercy would benefit many!

Thank you for your consideration.

I am a CNA at Mercy and I believe Mercy co-workers strive their hardest to be the best. An expansion would better everyone in the community.
