Hi Dan:

I could not find the spreadsheet referenced on your page 178 of the application regarding utilization for the project. Can you provide that spreadsheet or point me in the right direction in the application?

And can you provide an expected payor mix for the facility in Crystal Lake?

And the physician's in which referral letters were provided are they or will they be employed by Mercy?

**Finally I think** can you address Criterion 77 IAC 1110.3030 (b) – *Establishment*

Thank you.
