Dear Mr. Axel:

I am in receipt of your letter dated June 3, 2011 regarding Memorial Group, Inc. and Metro-East Services, Inc. d/b/a Memorial Hospital-East's plans for cardiac catheterization services at the proposed hospital location in Shiloh, IL. Anderson Hospital does operate a cardiac catheterization service performing both diagnostic and interventional procedures. Anderson Hospital primarily serves communities outside the O'fallon-Shiloh area. Based on this, Anderson Hospital's services will not be negatively impacted by the addition of cardiac catheterization services at the proposed hospital in Shiloh. Anderson Hospital supports Memorial Hospital-East's efforts to bring these critical services closer to the O'fallon/Shiloh communities.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith A. Page", written over a horizontal line.
