RE: Proposal coded in Project # 004

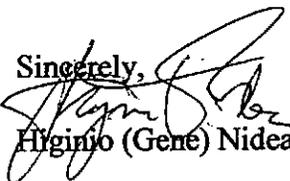

Dear Mr. Galassie:

This letter is made in reference to the above; the proposal to establish a Renal Dialysis Center at Weber and Caton Farm Street IN Crest Hill Village.

This proposal was well thought of and will afford conveniences to the patients living in the village and adjoining locations like me residing at the Grand Haven Retirement Community in Romeoville.

I hope this proposal will be accorded with utmost thoughtful consideration, thus its operation is anticipated soon.

Sincerely,

Higinio (Gene) Nidea, M.D.
