Re: Letter of Support for St. Joseph's Hospital Certificate of Need Applications Project  
#11-105 & Project #11-106

Dear Ms. Avery:

Faith Countryside Homes respectfully submits this letter of support for the referenced projects. Our not for profit corporation includes a skilled nursing facility for 69 residents, an assisted living facility for 36 residents, and an apartment complex for 84 low income and/or disabled senior citizens. Our residents greatly depend upon St. Joseph's Hospital for immediate access to emergency and hospital care, and Faith Countryside Homes supports approval of these projects by the Illinois Health Facilities and Services Review Board.

Sincerely,

Darlene Genteman  
Administrator
