**RE: Silver Cross Renal Center West, Joliet (CON# 11-119)**

Dear Mr. Constantino:

I am writing to you in support of the above-referenced application for change of ownership of the Silver Cross dialysis facility located on the Westside of Joliet. This application is scheduled to be heard at the February, 2012 Illinois Health Facilities & Services Review Board meeting.

I am an active member of the Medical Staff at Silver Cross Hospital. I have been treating my ESRD patients there for more than 10 years now. I also serve in a leadership role with Silver Cross Hospital -- fulfilling the role of Medical Director for the hospital's dialysis centers located in Joliet, New Lenox and Morris. I have signed a contract with DaVita (pending CON approval) to continue serving as medical director for dialysis at the center referenced above. My contract with DaVita will ensure the continuity of care and clinical oversight for patients that are currently being treated at this facility.

I look forward to continuing my medical leadership role and working with DaVita once this application is approved by the Illinois Health Facilities and Services Review Board.

Sincerely,
