Re: Alterations to Permit #11-008 Mercy Circle

Dear Ms. McLaughlin:

Your letter dated March 29, 2012 to notify the Illinois Health Facilities and Services Review Board (HFSRB) of alterations to Project #11-008 was received and accepted. Your letter decreases the number of skilled care beds by one bed, decreases the total number of residential units to 87 units, increases the gross square feet ("GSF") of the skilled care unit to 22,805 GSF, and decreases the total project costs to \$49,745,852. These changes are required to be reported to HFSRB, but do not require the approval of HFSRB prior to implementation.

Based on the information you provided, these alterations have been appropriately reported to HFSRB and do not require HFSRB approval. This determination is made in accordance with Section 1130.750 c) and d) of HFSRB rules.

Your letter and this response will be added to the project file. The rules referenced above are available at the HFSRB website, www.hfsrb.illinois.gov.htm.

If you have questions regarding the contents of this letter, please contact our office at 217-782-3516. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".
