Re: Notification of Project Completion for U.S. Renal Care Oak Brook
Dialysis (Project Number 11-024)

Mr. Constantino:

This firm represents USRC Oak Brook, LLC in the above referenced matter. In accordance with the Health Facilities Planning Procedural Rules (77 III. Adm. Code 1130), USRC Oak Brook, LLC respectfully submits this notification of project completion for the U.S. Renal Care Oak Brook Dialysis facility, project number 11-024. The U.S. Renal Care Oak Brook Dialysis facility was completed on September 26, 2012. USRC Oak Brook, LLC will submit a report of final realized costs within 90 days of the project completion date.

Please do not hesitate to contact me with any questions.

Sincerely,

Shawn Moon
