Re: Certification of Obligation for Project # 11-006  
Transitional Care Center of Arlington Heights

Dear Mr. Constantino:

As President/CEO of Transitional Care Center of Arlington Heights, the Permit Holder, and pursuant to 77 Ill. Admn. Code 1130.720, I am submitting this certification of obligation for Project #11-006.

The HUD Construction Contract Cost Plus agreement (HUD-92442-A) was executed with ARCO Construction on April 30, 2013, committing more than the required 33% of total funds assigned to the project.

With the execution of this contract, there was no change in the scope or funding sources for the project.

Please give me a call at 847-720-8700 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Cloch", written over a faint, illegible stamp.

Brian Cloch, President/CEO  
Transitional Care Center of Arlington Heights
