Alteration to Permit
Illinois Health Facilities Planning Act
Permit #11-112 - Edward Hospital

Dear Ms. Runge:

We are in receipt of the alteration request for Permit #11-112. **All alterations** are required to be reported to the Illinois Health Facilities and Services Review Board ("State Board"). The alteration to change the financing of the permit from \$63,659,255 of debt financing to \$63,659,255 of cash does not require approval of the State Board. The permit holder has met the requirements of 77 IAC 1130.750.

The permit holder is reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions, please call Mike Constantino or George Roate at (217) 782-3516 (TDD # 800-547-0466 for hearing impaired only).

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".
