To Whom It May Concern,

In keeping with 77 Ill. Adm. Code § 1130.720, please accept this letter verifying that Project 11-095 has been obligated on or before the obligation date set forth in its Permit Approval Letter.

This letter certifies and attests that the project has been obligated prior the obligation date set forth in the permit, specifically August 28, 2013, which is 18 months after project approval under 77 Ill. Adm. Code § 1130.720(a)(1).

Furthermore, this letter verifies that the financial resources are available to complete the project and that the project, once completed, will have the same cost, scope, design, square footage and be in all other respects in compliance with that which the Board has approved.

Thank you for your kind attention and assistance in this matter.

Sincerely,
