John,

If you could hand deliver it, that would be great. Thanks.

Alexis

Alexis, I would be happy to resubmit. Can I email it to you or should I hand deliver to Bonnie?

John,

In the Final Realized Costs Report for project #11-060- Naperville Fertility Center, you mention that you enclosed a copy of the IDPH facility license. It does not appear that the document was included in the report. Would you please send that document to the Board so that we can documentation of the project completion date for project #11-060?

Thanks for addressing this matter.
