Re: Permit #11-107-Northwestern Memorial Hospital

Dear Ms. Orth:

We are in receipt of your request for an alteration of permit #11-107. A decrease in the costs of the project requires notice to us, but does not need approval by the Chairman of the Illinois Health Facilities and Services Review Board ("State Board") or the State Board. Our records will reflect the change in the cost of the project from \$322,826,935 to \$320,471,935 or \$2,355,000.

We consider your alteration to be an allowable alteration requiring notice to the Illinois Health Facilities and Services Review Board only as per 77 IAC 1130.750 (a)(1).

"All alterations shall be reported to HFSRB before any alteration is executed. Some proposed alterations require HFSRB approval and some are prohibited. Proposed alterations that are not cited under these two categories require only written notification to HFSRB prior to execution of the alteration."

We are also returning your check for the \$1,000 for the requested alteration. The check is enclosed.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at 217.782-3516 or Mike.Constantino@illinois.gov or George.Roate@illinois.gov

Sincerely,

A handwritten signature in cursive script that reads "Courtney Avery".
