RE: Permit Alteration: Project #11-104, McAllister Nursing and Rehabilitation, Tinley Park
Permit Holder: McAllister Nursing and Rehabilitation, LLC – McAllister Property, LLC

Dear Ms. Lacek:

On June 21, 2016, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

The permit holder is requesting to increase the total project costs from \$24,910,942 to \$24,914,868.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Kathy Olson".

Kathy Olson, Board Chair
Illinois Health Facilities and Services Review Board
