RE: Permit Alteration: Project #12-011 Rush University Medical Center, Chicago;
Permit Holder: Rush University Medical Center

Dear Ms. Nedza:

On August 25, 2015, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Increase the permit amount from \$46,230,784 to \$49,291,261. Increase from 184,737 GSF to 193,434 GSF, add 1 procedure room and 20 additional PACU's..

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Avery".

Illinois Health Facilities and Services Review Board
