Re: Obligation of Project Number 12-026, U.S. Renal Care Villa Park Dialysis

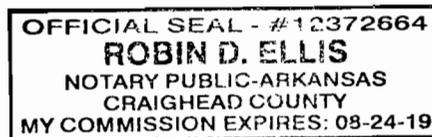

In accordance with the Health Facilities Planning Procedural Rules (77 Ill. Adm. Code 1130), USRC Villa Park, LLC respectfully submits this attestation of project obligation.

We hereby attest that Project Number 12-026, the establishment of an end stage renal dialysis facility center in Villa Park, Illinois, was obligated on September 26, 2012. On this date, USRC Villa Park, LLC contracted to expend more than 33 percent of the total project cost by the execution of **U.S. Renal Care – Villa Park Dialysis**. The financial resources are available and committed for the project. The project's cost, scope, design, square footage, and number of stations remain in compliance with what the Illinois Health Facilities and Services Review Board approved in the permit approved on July 24, 2012.

We appreciate the opportunity to present this information to you. Please do not hesitate to contact Jack Harrington at 870-336-4022 if you have any questions or require additional information.

Sincerely,

  
Name: JACK N. HARRINGTON
