RE: Permit Alteration: Project #12-27; Permit Holder: Good Samaritan Pontiac

Dear Ms. Tannahill:

On October 7, 2014, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

The permit holders are proposing to decrease general nursing beds from 122 to 90 beds, reduce GSF from 55,413 to 52,444 GSF and decrease total project costs from \$14,590,261 to \$13,366,800..

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Courtney Avery". The signature is written in a cursive style.
