Subject: Request to place 12-035 on the agenda for Tuesday, July 24, HFSRB meeting

Mike and Courtney:

As we discussed several weeks ago, Project #12-035 (St. Mary's Hospital, Streator) will be on the agenda for the July 23-24 meeting of the HFSRB.

On behalf of the co-applicants, I am requesting that this project be placed on the agenda for Tuesday, July 24. We would appreciate it if it could be heard as early in the agenda for that day as possible.

Thank you for your assistance in this matter.
