HEALTH FACILITIES &
SERVICES REVIEW BOARD

June 22, 2012

Ms. Courtney Avery, Administrator
Illinois Health Facilities and Services Review Board
525 West Jefferson Street, Second Floor
Springfield, IL 62761

Dear Ms. Avery:

I am pleased to submit this letter in support of the proposal to construct a 130-bed skilled nursing facility in Will County, owned and operated by ManorCare Health Services.

There is a lack of sufficient nursing home options for county residents. As a state senator in Will County, I know of the growing population and the corresponding need to provide quality health care services to the residents.

There is now, and will continue to be, a need for more accessible health care services, especially for seniors who may be in need of post acute care and rehabilitation.

Thank you for your consideration of this proposal.

Sincerely,

A handwritten signature in cursive script that reads "Christine Radogno".
