Dear Mr. Galassie,

I am writing to you in support of Hawthorn Surgery Center's application for a permit to relocate its existing surgery center to Lakeview Parkway and Center Drive in Vernon Hills.

Due to the existing building in which Hawthorn is currently located, expanding and updating their facilities presents not just a difficult but nearly impossible challenge. As a local medical facility, Hawthorn Surgery Center already delivers some of the best care in the area. With a potential relocation they can only heighten their already tremendous patient care rating of 97%. This is truly exciting for Hawthorn's future patients.

In addition to it's clientele, Hawthorn is fully committed to the entire community. With my experience as an elected official, I cannot stress the importance of local business involvement in the development and civic engagement of Lake County's diverse communities.

I am honored to have Hawthorn Surgery Center in Lake County. To learn they want to expand, pursue further modernization of their state-of-the-art care, and become actively involved in yet another Lake County community, I couldn't be more please to support Hawthorn Surgery Center's application to relocate to Vernon Hills.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Sente".
