George,

In response to your inquiry regarding the moveable equipment costs referenced in the USRC Lemont and USRC Plainfield applications, such costs are attributable to the following items:

Nurses Call System
Supply Shelving
Patient Charts and Chart Racks
Exterior Signage
Artwork
Crash Cart
Office Furniture
Staff Lockers
Security System
Patient TV System

Good Afternoon:

I am performing the completeness review on said projects, and notice there is \$109,437 in non-clinical moveable equipment costs for both of these projects. While it is my duty to review each project individually on its own merits/deficiencies, I must admit that a cost for non-clinical moveable equipment is unique, and I ask that you provide a brief paragraph describing the origin of said costs. Thank you.
