RE: Permit Alteration: Project #12-066, Advocate Christ Medical Center, Oak Lawn  
Permit Holder: Advocate Health and Hospitals Corporation d/b/a Advocate Christ  
Medical Center and Advocate Health Care Network

Dear Mr. Nelson:

On October 30, 2018, the Illinois Health Facilities and Services Review Board approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Alteration to add 17 ICU beds and decrease Neonatal ICU beds by 3. The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit and invalidate the permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino or George Roate at (217) 782-3516.

Sincerely,

A handwritten signature in cursive script that reads "Courtney Avery".
