Re: Permit #12-078 – Adventist Cancer Institute

Dear Mr. Goebel:

This letter is a follow-up to the letter the State Board had sent Christina Moyer dated December 30, 2015. It has come to our attention that Ms. Moyer is no longer with Adventist Hinsdale Hospital. This letter is a reminder that an Annual Progress Report needs to be filed by **March 5, 2016** for Permit #12-078. The project completion date for this permit is **June 30, 2016**. You need to notify the State Board by letter when the permit is completed and within ninety days of that completion date file the final cost report and supporting documentation with the State Board. If you need additional time to complete the permit a permit renewal may be filed. Information regarding the requirements can be found at <http://www.hfsrb.illinois.gov/>

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at [Mike.Constantino@illinois.gov](mailto:Mike.Constantino@illinois.gov) or [George.Roate@illinois.gov](mailto:George.Roate@illinois.gov) or 217.782.3516.

Sincerely,

A handwritten signature in black ink that reads "Kathy Olson".
