RE: Project #12-081 VISTA MEDICAL CENTER-LINDENHURST

Dear Ms. Avery,

First, let me point out that I am a patient of Vista Health System and live in the Waukegan area. I am strongly in favor of a new hospital in Lindenhurst that Vista is proposing to build. That area of Lake County is growing very fast, and there's no reason that there shouldn't be a hospital to serve that part of the community. I am confident that this hospital would follow the same high quality service that Vista already brings to its patients.

It's time to reach put a hospital within reasonable driving distance of people who live in areas such as Gurnee, Round Lake, Grayslake, Lake Villa, Antioch and other towns. They deserve the same access to health care that we take for granted by living east of 94 or in the southern part of the county. I ask you to approve the proposed hospital by Vista so this important project can get underway soon.

Best regards,

Kevin Morins
