Sign our petition to support the proposed Emergency Care Center near Frankfort, Illinois.

Riverside Medical Center is committed to bringing emergency care closer to home for those living in our northern service area. Through the construction of a free-standing emergency care center featuring primary care offices, diagnostics and lab services, Riverside seeks to expand access to healthcare for the benefit of this region. We urge your support of this much-needed project. Please click on the link below and sign the petition supporting Riverside Medical Center proposed free-standing emergency care center.

Emergencies happen. The ability to access quality care quickly should not be an obstacle for those in need.

After careful consideration, analysis and requests from residents, Riverside Medical Center is committed to bringing emergency care closer to home for those living near the Mokena, Manhattan, Wilton Center, Manteno, Peotone, Andres, Green Garden, Monee and Frankfort, Illinois region. Through the construction of a free-standing emergency care center, primary care offices and diagnostics and lab services center, Riverside seeks to expand access to healthcare for the benefit of this region

To: Illinois Health Facilities and Services Review Board and Village Officials

Riverside Medical Center recently filed application with the State of Illinois to develop a free-standing emergency care center at the intersection of Steger Road and LaGrange Road. The new emergency care center will provide essential 24/7 emergency healthcare services for surrounding communities, and will shorten travel times for emergency care services. Riverside Medical Center recently filed application with the State of Illinois to develop a free-standing emergency care center at the intersection of Steger Road and LaGrange Road. The new emergency care center will provide essential 24/7 emergency healthcare services for surrounding communities, and will shorten travel times for emergency care services. The center will also include physician offices and diagnostic imaging services.

The new emergency care center will expand healthcare services to communities near the Mokena, Manhattan, Wilton Center, Manteno, Peotone, Andres, Green Garden, Monee and Frankfort, Illinois region.

Riverside Medical Center is seeking the support of area residents. This facility would be a tremendous benefit to the region. I urge the Illinois Health Facilities and Services Planning Board and Village Officials to approve this project without delay.

Signing this petition symbolizes my support for Riverside Medical Center's proposed free-standing emergency care center near Frankfort, Illinois.

Sincerely,
