Subject: Withdraw of Project Number 12-089
Riverside Medical Center North Campus at Frankfort

Dear Ms. Avery and Health Facilities Planning Board Members,

Riverside Medical Center would like to officially withdraw Project Number 12-089 Riverside Medical Center North Campus at Frankfort from consideration at this time.

We had hoped to have a more complete assessment of the impact on ED visits from the introduction of the Affordable Care Act and expanded coverage for residents of the area involved in the project. However, given the current time frame, we are unable to fully assess that impact.

We may resubmit an application at a later time; however, with respect for both the Board and staff time and effort, we feel that it is prudent to withdraw this project.

Sincerely,

A handwritten signature in cursive script that reads "Margaret Frogge".
