**Re: Notice of Project Completion – Effingham Ambulatory Surgery Center
(Proj. No. 13-001)**

Dear Mr. Constantino and Ms. Kendrick:

Pursuant to Section 1130.770(a) of the Illinois Health Facilities and Services Review Board (“HFSRB”) rules, I am writing on behalf of Effingham Surgical Partners, LLC and United Surgical Partners International, Inc. (the “Permit Holders”) to notify the HFSRB of the completion of Project No. 13-001 on May 1, 2013. On March 26, 2013, the HFSRB approved the change of ownership of Effingham Ambulatory Surgery Center (the “Surgery Center”). The mechanism for the change of ownership is the transfer of a controlling membership interest in the Surgery Center to USP Effingham, Inc. Although the controlling member changed, the licensee of the Surgery Center, Effingham Surgical Partners, LLC, remains the same. The controlling member submitted a license application for the change of ownership of the Surgery Center, and the Illinois Department of Public Health issued an ambulatory surgical treatment center license for the Surgery Center effective May 1, 2013.
