Re: Preferred SurgiCenter-Orland Park (Project No. 13-007)

Dear Ms. Avery:

I write to follow up on the letter to you dated January 21, 2013 ("Letter") signed by me in connection with Preferred SurgiCenter's application for a certificate of need for the proposed ambulatory surgical treatment center ("ASTC") to be located in Orland Park ("Preferred SurgiCenter").

It has recently come to my attention that there has been an enormous misunderstanding that I would like to correct. The Letter accurately identifies (i) the facilities where I perform surgeries and (ii) my volume of activity. The Letter is not correct when it states that I anticipate that I will refer 1,645 cases to the Preferred SurgiCenter.

For a variety of reasons, I can not and will not be able to refer any of my cases to Preferred SurgiCenter. I regret any confusion I caused when I signed the Letter.

If you have any questions or need any additional information, please feel free to contact me.

Sincerely,

Mihir Majmundar, M.D.
