Re: Project 13-011

Dear Ms. Avery:

As you may have read in Crain's Chicago Business, the Presence St. Joseph's Hospital Outpatient Care Center building, which was approved as part of this project, will be opening on September 21, 2015. The remainder of the project (backfilling and modernization of the existing hospital building) can now commence. We look forward to continuing to provide applicable annual reports and completing the project and as always, should any alterations or permit renewals be required we will seek them from the Health Facilities & Services Review Board. Should you have any questions or concerns do not hesitate to call me, Ms. Ranalli or Mr. Axel. Thank you.

Sincerely,

Shawn Albritton
