RE: Project Obligation for Alden
Estates of Huntley and Alden Courts of
Huntley, Huntley, **Project Number 13-013**

Dear Ms. Avery:

In accordance with the Health Facilities Planning Rules (77 Ill. Admin Code 1130), we wish to notify the Review Board that our Project has been timely obligated.

Project Number 13-013 was timely obligated on December 15, 2014 by the signing of a construction contract in the amount of \$24,000,000.00, which is well in excess of 33% of the approved Project amount. The financial resources and the project's cost, scope and design remain in substantial compliance with the permit approved by the Illinois Health Facilities and Services Review Board on June 26, 2013.

We want to ensure that we provide timely notice of this action to you and are providing this notice in advance of our annual progress report. Please do not hesitate to contact me our CON consultant, John P. Kniery at (217) 544-1551 if you have any questions or require additional information.

Sincerely,
