Dear Mr. Galassie,

I support the Good Shepherd Hospital facility updating project # 13-016 and recommend that the board approve this project.

Good Shepherd Hospital is an excellent resource for the community. The high quality care is exceptional. The proposed updates to surgery, imaging, medical-surgical units and testing will help continue our high level of quality care.

Please approve this crucial project, vital to Good Shepherd continuing its history of excellent care.

Yours truly,
