**Re: Support for Advocate Good Shepherd CON Project #13 - 016**

Dear Mr. Constantino:

I support the modernization project for Good Shepherd Hospital # 13-016.

Good Shepherd hospital has demonstrated a commitment to meet the needs of its patients and community. This project will continue Good Shepherd's fine tradition of quality care.

The area served by Good Shepherd has aged and grown over the last thirty years since the hospital was built. The demand for care has increased. The expanded ICU and operating suites will help to accommodate this growth.

I recommend that the Board approve this application for modernized facilities for Good Shepherd and its patients.,

Yours Truly,

Mary Sue Fidale, RN
