In Re: Operational Status #13-025 Addition of 38 Med/Surg Beds

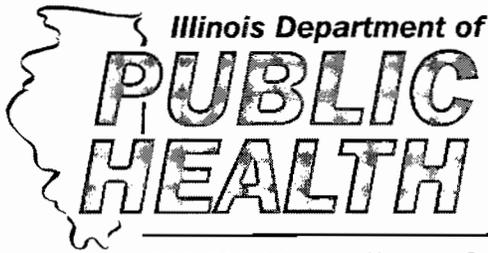

Dear Mike:

We were a little confused by the letter from Karen Senger. On April 1<sup>st</sup> we notified you of the opening of the beds granted via permit for project #13-025. We will submit the report of final costs in a few weeks to close this project. We believe this fulfills the remaining requirements for this project.

Please let us know if we can provide any further information.

Sincerely,

John R. Beberman
