RE: Permit Alteration: Project #13-026 Advocate Lutheran General Hospital, Park Ridge; Permit Holder: Advocate Health and Hospitals Corporation - Advocate Health Care Network

Dear Mr. Manshum:

On April 21, 2015, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Increase Total GSF by 2229 GSF and increase the project costs from \$39,642,456 to \$40,636,730.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Courtney Avery".

Courtney Avery, Administrator
Illinois Health Facilities and Services Review Board
