Re: Notice of Project Completion – TRC Children’s Dialysis Center (Proj. No. 13-045)

Dear Mr. Constantino:

Pursuant to Section 1130.770(a)(5) of the Illinois Health Facilities and Services Review Board (“HFSRB”) rules, I am writing on behalf of DaVita HealthCare Partners Inc. and Total Renal Care, Inc. (the “Permit Holders”) to notify the HFSRB of the completion of Project No. 13-045 on May 14, 2014. On August 13, 2013, the HFSRB approved the permit for the relocation of TRC Children’s Dialysis Center (the “Project”). The permit provided for a project completion date of December 31, 2014. The first dialysis patient was treated on May 14, 2014. We will submit a final cost report under separate cover once the project costs have been finalized.

If you have any questions regarding the status of the project, please feel free to contact me at 312-649-9289 or timothy.tincknell@davita.com.

Sincerely,

Timothy V. Tincknell
