Re: Request for Public Hearing
Nocturnal Dialysis Spa, Villa Park
Project No. 13-049

The Illinois Health Facilities and Services Review Board has published a Notice for Opportunity for public hearing related to the certificate of need application for the Nocturnal Dialysis Spa, LLC proposed in Villa Park.

As State Senator of the 23rd Legislative District representing Villa Park, I would like to request that the board conduct a public hearing on this application to better understand the need, impact and services being proposed.

On behalf of my constituents, I want to ensure every health care provider that serves our community is held to the same high standard of patient care. A public hearing would afford the community an opportunity to learn more and better understand what is being proposed.

Thank you for your consideration.

Respectfully,
