Evanston, IL 60201**

Dear Mike:

I am writing to notify the IHFSRB that the above mentioned facility will be experiencing a temporary closure. Between Friday October 31, 2014 and Saturday November 22, 2014 the facility will be closed while the water system is replaced to accommodate the 6-station expansion per #13-053. The facility is expected to begin treating patients again on Monday November 24, 2014, if not sooner. Arrangements have been made for all patients to be treated at Fresenius Rogers Park, Skokie and Northfield during the closure. There will be no interruption in treatment to the patients. I will write and notify the Board when the facility re-opens.

Sincerely,

Lori Wright
Senior CON Specialist
