**RE: Notice of Project Completion
Project # 13-064
Riverside Medical Center
Discontinuation of 18 bed Pediatric category of service**

Dear Ms. Avery,

This letter certifies that project # 13-064 has been completed effective February 25, 2014. The project is in compliance with all terms of the permit. There is no cost associated with this project.

This letter is intended to finalize the project completion process for this permit. If further information or action is needed, please feel free to contact me at 815-935-7060.

Sincerely,

A handwritten signature in cursive script that reads "Margaret Frogge".
