RE: **TYPE B MODIFICATION**
Illinois Health Facilities Planning Act
Project #13-067 Luther Oaks, Inc. Bloomington
APPLICANTS: Luther Oaks Inc.
Lutheran Life Ministries

Dear Mr. Tecson:

We have received your letter dated January 3, 2014. Pursuant to 77 IAC 1130.650(a), this letter constitutes a Type B modification of the above project.

77 IAC 1130.650(a) indicates that if an applicant modifies an application, Board Staff shall have up to 60 days to review the modification. The Board Staff shall then submit its findings to the State Board at the next scheduled meeting of the Illinois Health Facilities and Services Review Board.

Type B modifications are not subject to the public hearing requirements of 77 IAC 1140. Therefore, the Board Staff will not be conducting another public hearing, and the aforementioned project will remain on the agenda for the January 28, 2014 meeting of the Illinois Health Facilities and Services Review Board.

The modification increases the project cost for this project to \$7,541,000. Because this is an increase in the project cost from the original submission, it is necessary to recalculate the application fee.

Based upon the revised project cost of \$7,541,000, the total application fee is \$11,439.02. We have received payments totaling \$2,500.00, which leaves a **balance due of \$8,939.02** and **payment must be made to the Illinois Department of Public Health within thirty (30) days of your receipt of this notice.**

You are reminded that the State Board cannot take action on any application until the entire application fee has been paid.

If you should have any questions, please contact our office at (217) 782-3516 (TDD # 800-547-0466 for hearing impaired only).

Sincerely,

A handwritten signature in black ink, appearing to read "Michael B. Constantino". The signature is fluid and cursive, with a large initial "M" and "C".
