RE: Permit Renewal for Project #13-069, Memorial Hospital, Carbondale
Permit Holder: Southern Illinois Hospital Services - Southern Illinois Healthcare Enterprises, Inc.

Dear Ms. Blythe:

On February 16, 2016 the Illinois Health Facilities and Services Review Board/Chairman approved the permit holder's request for a permit renewal for the above-referenced project. Therefore, the permit for this project has been renewed until December 31, 2018. Additionally because of the approved permit renewal, the build out of the approved shell space will begin during Memorial Hospital's Fiscal Year 2019. (April 1, 2018 to March 31, 2019) At that time an application for permit for the build out will be submitted as required.

Should the permit holder determine that it will be unable to complete the project by December 31, 2018, the permit holder may request another renewal of the permit. 77 IAC 1130.740 provides that the State Board must be in receipt of a permit renewal request AT LEAST 45 DAYS PRIOR TO THE EXPIRATION DATE OF THE REQUIRED COMPLETION PERIOD.

The permit holder is reminded that permits for projects which are not completed within the required time frame shall expire for lack of due diligence, unless renewed by the State Board. The permit holder is also reminded of the other post-permit requirements contained in "Subpart G" of Part 1130. Adherence to these requirements is essential in maintaining a valid permit and is the sole responsibility of the permit holder.

Should you have any questions, please contact Mike Constantino or George Roate at (217) 782-3516 and ask to speak to a staff person about post permit requirements.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Olson".
