RE: Project 13-075
Highland Park Hospital

Dear Ms. Avery:

I am submitting this letter in support of Highland Park Hospital's application to construct an addition and to renovate certain parts of the hospital.

In my role as Mayor, I have developed a strong working relationship with the hospital. I know that NorthShore University HealthSystem and the hospital continually strive to address both the program and facility needs of its patients. This project represents another and an important effort on the part of NorthShore and the hospital to address the needs of its community and patients.

I urge the Illinois Health Facilities and Services Review Board to support this beneficial project. Thank you for the opportunity to provide this input.

Sincerely,

Nancy R. Rotering
Mayor
