RE: Notice of Project Completion
Project # 13-076
Holy Cross Hospital

Dear Ms. Avery:

The above-referenced project was approved by the Illinois Health Facilities and Services Review Board (HFSRB) on August 27, 2014, and provides for the establishment of a 24-bed acute mental illness unit at Holy Cross Hospital. The completion date of the project, per a granted permit renewal, is 12/31/2016.

The Illinois Department of Public Health has issued a letter dated December 21, 2016 approving the project for Permanent Occupancy. The letter was received on December 22, 2016 and the unit began operations, admitting the first patient on that day.

The final realized costs are forthcoming in a final report to the HFSRB.

Thank you. Should any additional information be required, please do not hesitate to contact me or Ms. Ranalli or Mr. Axel, copied below.

Sincerely,

James S. Bicak
Vice President, Sinai Tomorrow Project
