RE: Permit Alteration: Project #14-013, The University of Chicago Medical Center, Chicago
Permit Holder: The University of Chicago Medical Center

Dear Mr. Beberman:

On February 16, 2016, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

The permit holder is requesting to increase the total project costs from \$123,504,716 to \$126,282,370 or \$2,777,654 or 2.25% and increase the gross square footage by 2,152 gsf.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Kathy Olson".

Kathy Olson, Board Chair
Illinois Health Facilities and Services Review Board
