**Re: Winchester Endoscopy Center (Proj. No. 14-025)**

Dear Mr. Constantino:

Pursuant to Section 1130.770 of the Illinois Health Facilities and Services Review Board (“State Board”) rules, I am writing on behalf of Winchester Endoscopy, LLC (the “Permit Holder”) to notify the State Board of the completion of Project No. 14-025 on January 17, 2016. On March 10, 2015, the State Board approved the permit for the establishment of limited specialty ambulatory treatment center to be located at 1870 West Winchester Road, Suite 146, Libertyville, Illinois. The permit provided for a project completion date of August 31, 2016. Last week, the Illinois Department of Public Health issued an ambulatory surgical treatment center license for the facility effective January 19, 2016. The Permit Holder will submit a final cost report in accordance with the State Board’s rules.

If you have any questions regarding the status of the project, please feel free to contact me at 312-873-3606 or acooper@polsinelli.com.

Sincerely,

Anne M. Cooper
