Re: Alteration to Permit. Section 1130.750
Project #14-031 Labor & Delivery Relocation
Permit Holder: The University of Chicago Medical Center

Dear Mr. Beberman:

We received your request for an alteration to permit #14-031 on July 07, 2016. Your request outlining the use of debt financing for the funding of a portion of the cost for Permit #14-031 requires notice to the State Board. Because The University of Chicago Medical Center has a bond rating of "A" or better no approval of the State Board is required.

Our records will show that Permit #14-031 was altered on July 7, 2016 the date we received your notice. Further our records will show that Permit #14-031 will be financed with cash of \$16,711,781 and \$281,872 in debt financing. The total approved permit amount of \$16,993,653 is not changing nor is the scope of the project or the services approved.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in black ink that reads "Kathy Olson".
