RE: Permit Alteration: Project #14-034 Hinsdale Surgical Center, Hinsdale; Permit Holder: Hinsdale Surgical Center, LLC

Dear Ms. Friedman:

On June 2, 2015, the Illinois Health Facilities and Services Review Board (State Board) approved the alteration requested for the above-captioned project. The alteration approved was for the following:

Increase the approved permit amount from \$9,489,675 to \$10,153,952. Non clinical GSF will be increased from 16,588 to 17,052 GSF.

The permit holder is reminded that for the final realized cost report, any amount that exceeds the altered permit amount will be considered a cost overrun without a permit.

The permit holder should note the post-permit requirements contained in "Subpart G" of 77 IAC 1130. Adherence to the post-permit requirements is essential in maintaining a valid permit and is the responsibility of the permit holder.

Should you have any questions please contact my Mike Constantino of George Roate at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Courtney Avery".

Courtney Avery, Administrator  
Illinois Health Facilities and Services Review Board
