Re: Hinsdale Surgical Center (Proj. No. 14-034)

Dear Mr. Constantino:

Pursuant to Section 1130.770(c) of the Illinois Health Facilities and Services Review Board ("State Board") rules, I am writing on behalf of Hinsdale Surgical Center, LLC (the "Permit Holder") to notify the State Board of the completion of Project No. 14-034 on November 2, 2015. On October 7, 2014, the State Board approved the permit for the discontinuation of a multi-specialty ambulatory surgical treatment center located at 908 North Elm Street, Suite 401, Hinsdale, Illinois and the establishment of a multi-specialty ambulatory surgical treatment center located at 10 Salt Creek Lane, Hinsdale, Illinois. The permit provided for a project completion date of June 30, 2016. Last week, the Illinois Department of Public Health issued an ambulatory surgical treatment center license for the new facility effective November 2, 2015. The first cases were performed at the surgery center on November 2, 2015. The Permit Holder will submit a final cost report in accordance with the State Board's rules.

If you have any questions regarding the status of the project, please feel free to contact me at 312-873-3606 or acooper@polsinelli.com.

Sincerely,

Anne M. Cooper
