#14-037 Advocate Health and Hospitals Corporation d/b/a Good Samaritan Hospital  
Modernization Project

Dear Ms. Olson:

This letter is to provide the Illinois Health Facilities and Services Review Board the assurance required with the Certificate of Need application for a modernization project at Advocate Good Samaritan Hospital.

Based on the information available at this time, it is my understanding that by the second year of operations after project completion, Advocate Good Samaritan Hospital reasonably expects to achieve and maintain the occupancy standards for the medical-surgical and pediatric beds, as specified in 77 Ill. Administrative Code 1100.520c).

Sincerely,

David S. Fox  
President
