Dear Ms. Carr:

On September 10, 2018 we received your letter notifying the State Board that the two permits referenced above will be completed with cash rather than debt. By rule this change requires notification to the State Board only. No further action is required by the State Board in relation to this change.

Should you have any questions or concerns please contact me at Courtney.avery@illinois.gov or 217.782.3516.

Sincerely,
